Conditioning Skates run prior to evaluations. While these sessions are not mandatory, they are an excellent opportunity for players to get back on the ice. Unlike previous years where specific drills were performed, in U13 the Conditioning Skate is a scrimmage format. If your player cannot attend the Conditioning Skates, you do not need to notify the age group coordinator. Once evaluations begin the age group coordinator must be notified ASAP if player cannot make a session. Please read the Evaluation Manual for details.

See the Evaluation Manual for  
explanation of Scrimmage  
Sessions

There will be approximately 8 U13 teams for  
Bow River in the 2025/26 season.

During evaluations players will skate with  
different players in each session. It does not  
mean they will end up on the same team.

Players can move between groups during  
evaluations.

Understanding of how teams are formed is  
important. Please read the Evaluation Manual.
