[Volunteer Sign UP](#)

Players can choose either body checking or non-body checking stream. This was declared at registration.

OPTION ONE – Checking evaluations. Trying out for checking does not guarantee the player a position on a checking team. Those players that do not place on a checking team start evaluations over with non-bodychecking.

OPTION TWO- Non-Body Checking Evaluations. Scores from checking evaluations DO NOT influence scores in nonchecking.

START

Checking Stream

Mandatory Bow River Bruins Checking Clinic or have signed waiver declaring previous training/accept risk (U15 only)
