ORDER PROCESSES

Step 1: Book your sizing samples here:

<https://adrenalingroup.ca/collections/samples>

Adrenalin has over 3,000 units, and 200 sample bins for you to book out via our online booking portal. You can see what products are available, when, and have your choice of pick-up and drop-off locations. Each sample can be booked for 3 days. We require a \$50 deposit on each sample booking, which is refunded once the sample is returned. Once you've collected your teams sizes you can then proceed to the Team Order Form.

Step 2: Online Team Order Form:

<https://form.jotform.com/240165425114042>

Adrenalin offers an online order form for you to provide your order details. Once the order form has been received, one of our team members will reach out to you within 1-2 business days to confirm the details, clarify any questions we may have on the order or customizations (such as sponsor logos, or personalization's). As part of this step we will provide confirmation on product availability, target delivery timelines and answer any other questions you may have.

Step 3: Review and approve quote.

We will then provide a quote with the breakdown of your order and the order total. If you have requested or require any proofs this will be included with your quote. Upon approval of the quote and any artwork/proofs we will require a 25% deposit. Once we have received the deposit your order will then enter the production process.

Step 4: Payment and Order delivery/pickup.

Upon completion of your order, you will receive a confirmation email that your order is ready for pick-up at your chosen location : Macleod Trail, Northland, or our Team Sales offices; or that it has been shipped to your confirmed address (shipping charged may apply) depending on your preferences. At this time, the outstanding balance will also be billed to your credit card on file.

If you have questions, or require assistance at any time, please email **team@adrenalingroup.ca** or fill out our inquiry form:

<https://form.jotform.com/240456315423248>

We will endeavour to respond to your inquiry within one business day.
