

Powered by **BAUER**

Adrenalin Source For Sports is proud to be the Official Retailer of Hockey Calgary and offer the Try Hockey program to all Hockey Calgary associations partnered with Adrenalin.

ABOUT THE PROGRAM

In efforts to support families considering having their child participate in hockey, Adrenalin has partnered with BAUER to allow youth the opportunity to try hockey with minimal cost. Adrenalin will subsidize their first set of new hockey equipment, even providing some equipment at no charge!

WHAT WE OFFER

Adrenalin and BAUER will be providing a complimentary BAUER RE-AKT 55 Small or Prodigy helmet combo to each participant.

Plus, registered participants can access an exclusive equipment package featuring protective gear from the BAUER X collection, BAUER Core neckguard, and a selection of sticks.

For those wishing to upgrade their equipment choice, we can offer 35% off* on any regular priced hockey equipment item(s) of the family's choosing.

HOW TO ACCESS

Bring proof of registration to the Try Hockey Program. Our experts will help you choose the perfect gear for your child, ensuring comfort and protection. They will also educate parents on dressing for the ice and assist in selecting any additional accessories like tapes, base-layers, socks, etc.

**Excludes select brands and styles. See in store for details. The discount will apply to equipment purchased for the participant only. If purchasing items outside of the package, there will be no additional discount applied to any marked down/clearance items. No discounts applied to accessory items under \$10, per store policy.*
